Commissioner for Patents

Continued Examination Under 37 CFR 1.114

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 15 February 2006. The submission, however, is not fully responsive to the prior Office action because the amended claim language "same drive signal is used in each of the basic recording mode and the high resolution recording mode" found in claims 1 and 38 requires appropriate underlinings to indicate newly added claim language. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
